

## 2005 Japanese Homestay Application

The following application is intended to provide the selection committee with necessary information as well as allow interested students to elaborate upon themselves and the reasons why they would like to participate in the exchange. This homestay is a school sponsored event. All Lighthouse School students are encouraged to apply after carefully considering the proposal with their families. An oral interview with each student will be required. Students will be informed as to dates and times of the interviews. Final decisions will be made by a consensus of the Lighthouse School faculty once the necessary interviews have been conducted. All applicants will then be notified which students have been selected to participate in the program.

On a separate sheet(s) of paper, each student application should answer the following questions to the best of their ability. Feel free to incorporate any information which you feel would assist the selection committee in making its decision.

Question #1: Why would you make a good international representative for our school? (In answering this question, you may wish to include activities you take part in outside of school)

Questions #2: What is your interest or involvement in Japan, or Japanese culture?
