

February 2010

Dear Parent:

We would like to provide you & your student with the opportunity to make a significant contribution to our community by participating in the American Cancer Society's Daffodil Days campaign. Daffodil Days is a simple fundraiser, which allows students, parents and school faculty the opportunity to buy a bouquet of daffodils to benefit the American Cancer Society. Daffodils were selected because this first flower of spring represents a symbol of hope for cancer patients across the country.

For a donation of \$10.00, your student will receive a bouquet of ten daffodils (the flowers will have not bloomed, but will when placed in water). Also offered is a Bear & a Bunch for \$25.00, which includes a bunch of daffodils and a 10 inch collectible Boyds Bear or a miniature potted daffodil in bloom for \$15.00. If you wish, you can make an anonymous donation of \$25.00 and have a bouquet and vase delivered to a local cancer patient to brighten their day, or Bear Hugs for Hope for \$25.00 which provide Daffodil bears to children impacted by cancer. Please use the form below to order and return to school by March 3rd. You may also order on line at [www.main.acsevents.org/gotoccls](http://www.main.acsevents.org/gotoccls). Flowers will be delivered to the school the week of March 22nd.

Please join us in an effort to bring hope to all cancer patients and their families. Thank you.

Sincerely yours,

Judy Stacy, School Nurse
