

CCLCS SKI & SNOWBOARD CLUB - MOUNT SUNAPEE - Saturday January 23rd 2010

Hey folks, it's that time of year again!!! Bang the spiders out of those ski boots and air out your helmets. For our first trip of the season we are headed to Mount Sunapee NH. This is a great mountain because it has something for everyone including an entire section of the mountain dedicated to beginner trails. If you're a well seasoned snow bum this mountain has really fun intermediate and expert terrain as well. Our trips are "DAY" trips. The bus leaves the school at 6am and returns around 9pm with a bus stop at exit 6 for our upper Cape families. The rates for this trip are \$60 for kids under 19yrs and \$80 for adults. 1 hour lessons are \$27.

Registration/payment deadline for this trip is Monday **January 18th**. Reserve early we have a 54 person limit on bus. The Ski Club trips are designed for students and their friends and families to spend time together. We the group leaders do check in with the kids throughout the day, however, we cannot commit to skiing with/or keeping track of anyone the whole time. **If you want your child to have closer supervision you need to provide that**. If this is a problem for anyone **please** contact one of us. If you need to rent equipment we are recommending Puritan in Hyannis. They suggest that you go in as soon as possible to reserve and get fitted. Make sure you mention CCLCS Ski Club to get the discount.

Whether you have never skied or snowboarded before or you are a pro we welcome you to join us on these fun family & friend oriented trips. So think about it and leave room in your schedule to come along. It's always a blast!

If you have any questions please feel free to contact us.
