

**Welcome to
PORTVISORY!
2018-2019**

Today's Agenda

1. What is PortVisory?
2. Get to know or Remember who is in your group!
3. All About **YOU!!!**

What is Portvisory?

Portvisory is part portfolio, part advisory!

We meet once a month to:

- Share more about yourself as a person
- Set goals
- File reflections and build a portfolio of your academic work and experiences at CCLCS!
- Talk about different topics with a group of your peers!

Why do we do it?

To make a binder full of materials to remember the cool stuff you do at CCLCS, and to see how you grow as both a student and a person over your time here!

Middle school kids benefit from chances to get to know themselves better

It's fun to hang with the same teacher and group of kids for three years!

Successful adults set and work towards goals.... and portvisory gives you a chance to practice that!!

Why “reflecting” matters

A good reflection is honest,
detailed, and thoughtful.

Reflecting Helps You:

1. Get to know yourself better
2. Learn from your mistakes
3. Recognize your strengths
and interests
4. Turn cool experiences into
memories that really teach
you something!

How to make your school year EPIC !!!!
