Provincetown Schools will operate a *Grab & Go* drive-thru food collection/pick up that limits participant interaction and proximity to other participants. This is free of charge to all families per student enrolled. We have put together a list of over 16 foods that should provide your child 3 meals per day over a 4 day period. Items or procedures may change over the weeks ahead, but we'll adjust as needed moving forward. Starting Tuesday, March 17th, we will be offering an introductory bag with over 30 items to every student/family that is interested in participating with a pick up window **between 12:00 pm to 2:00 pm**. Our distribution center is located at the door of the gymnasium in the Grace Hall parking lot and will be open for the same 2 hour window every **TUESDAY** and **FRIDAY** thereafter. Students/families may pick up both days per week.

Send a TEXT MESSAGE (no calls please) to 619-204-4950, Chef Andrew, with your FAMILY NAME and STUDENT NAME/S if interested in participating to help organize food supply efforts. If your family is having trouble picking up, mention so in your text message. It is important to please stay inside your car and we will address you through your car window. Contents will be placed inside your car trunk for you.
